APPLE PIE, BASEBALL AND CATS!

JULY ADOPTION PROMOTION – A HOME FOR THE BRAVE!

(Columbus, OH) – July is the time of year when we celebrate our heritage and all American things like apple pie and baseball and our brave men and women in the military. At the Capital Area Humane Society we also think about the brave cats and kittens that are brought to our shelter everyday. To celebrate our cute, cuddly feline friends we are hosting a month long adoption special!

We're kicking off the celebration with a \$5 adoption fee on July 5 for any cat or kitten adopted that day! In addition we will feature a \$25 adoption fee for cats and kittens the entire month of July! This adoption fee includes spay/neuter, vaccinations, microchip, flea control and feline leukemia/FIV testing.

The warmer weather and longer days bring more cat breeding and an increase in homeless and unwanted cats and kittens brought to local shelters. Our goal is not only to help find a wonderful home for the brave cats and kittens but to also bring awareness to the cat overpopulation challenge in our community.

The Capital Area Humane Society, a non-profit animal welfare organization founded in 1883, provides programs and services for animals and people in Central Ohio. It is our mission to fight animal cruelty, help animals in need and advocate for their well-being. More than 95 percent of our funding is provided by donations and fees for services, we are not a government agency and we do not receive operating support from national organizations.
