Thank you for your interest in supporting the animals at the Capital Area Humane Society through “Hearts for Paws”!

A Hearts for Paws campaign is an effective way to involve your co-workers, clients, students or youth group in contributing to the welfare of homeless and abused animals in our community.

Your group accepts modest individual donations in exchange for each “Heart.” The donor puts their name and/or their pet’s name inside the blank box and adds it to a display of posted hearts on a wall, bulletin board, or window. At the end of the campaign, your group sends the proceeds to the Capital Area Humane Society. We would appreciate a digital photo of campaign organizers in front of the display for possible publication in our e-news or printed newsletter.

The funds raised by your group allow the Humane Society to purchase items for the animals that are essential to their health and well-being, such as canned food and dog biscuits.

For information and materials to conduct a Hearts for Paws campaign, please contact Kindra Purtee, Events and Marketing Manager, at (614)777-7387 ext. 233 or via email at kpurtee@cahs-pets.org.
